

## Where You Lead

Carole King

Loving you the way I do  
I know we're gonna make it through  
And I would go to the end of the Earth  
Cause, darling, to me that's what your worth

R: Where you lead, I will follow  
Anywhere that you tell me to  
If you need, you need me to be with you  
I will follow where you lead

If you're out on the road  
Feeling lonely and so cold  
All you have to do is call my name  
And I'll be there on the next train

R:

I always wanted the real home with flowers on the windowsill  
But if you wanna live in New York city, honey, you know I will  
( yes I will, yes I will )  
You never know how much is all gonna turn out but that's OK  
Just as long as we're together we can find a way

R: (2x)

I'm gonna follow where you lead, I'm gonna follow where you lead...
