

## Yours Until Tomorrow

Carole King

Tonight, I hold to nothing  
But the feelings in my soul  
My heart overflows with  
Emotions I just can't control  
There's someone you are goin' to  
But tonight, I just can't tell right from wrong

Let me be yours until tomorrow  
Let me be yours until tomorrow  
Give me one night of your life  
Just be mine till the dawn

Tomorrow the real world  
Will come crashing down on me  
I know I must lose you  
And that's the way it has to be  
But tonight, I see no boundaries  
So I beg you, before my chance is gone

Let me be yours until tomorrow  
Let me be yours until tomorrow  
Give me one night of your life  
So I can go on

Till the dawn's intrusion  
Ends this sweet illusion  
Make believe you're mine, love  
This is not goodbye, love  
All I ask is one night  
Till the morning sunlight  
Won't you stay here in my arms and baby

Let me be yours until tomorrow  
Let me be yours until tomorrow
