Show Me What I'm Looking For

Carolina Liar

```
1. Wait, I'm wrong
   Should have done better than this
   Please, I'll be strong
   I'm finding it hard to resist
   So show me what I'm looking for

R: Save me, I'm lost
   Oh lord, I've been waiting for you
   I'll pay any cost
   Save me from being confused
   Show me what I'm looking for
   Show me what I'm looking for…oh lord

2. Don't let go
   I've wanted this far too long
   Mistakes become regrets
   I've learned to love abuse
   Please show me what I'm looking for
R:

   Show me what I'm looking for
   Show me what I'm looking for
   Show me what I'm looking for

   Save me, I'm lost
   Oh lord, I've been waiting for you
   I'll pay any cost
   Just save me from being confused
   Wait, I'm wrong
   I can't do better than this
   I'll pay any cost
   Save me from being confused
   Show me what I'm looking for
   Show me what I'm looking for
   Show me what I'm looking for

   Show me what I'm looking for…oh lord
```
