

## As I Am

Caroline's Spine

I think I'm feeling better  
And I know the reason why  
I think I finally got my shit together, yeah  
And no more tears to cry anymore

And I feel you  
And I feel the things you do to me  
I think I think I think I think I think too much  
To me  
I think I think I think I think I think too much  
And you won't feel  
So close your eyes

I think that this is better  
Oooh the fish come here to die, oh  
They play follow the leader  
Don't even wave goodbye  
Cause their fins are tired

And I feel you  
And I feel the things you do to me  
I think I think I think I think I think too much  
To me  
I think I think I think I think I think too much  
And you won't feel  
So hold your eyes

I think the engine stopped  
When you pull the key outside  
And if I didn't know any better  
I could feel you, I could feel you

And I feel you  
And I feel the things you do to me  
I think I think I think I think too much  
To me  
I think I think I think I think I feel too much  
And you won't feel  
So hold your eyes and see me  
Just hold your eyes and see me  
Hold your eyes and see me  
Just as I am
