

Trippin' Laces

Caroline's Spine

9 bells came to early this morning
poppin' my face the shower is warming up
last night was fueled by the juices of buddies
all waiting at school for the latest news.
...no, they're not gonna hear nothing from no one
won't believe with whom I've been if they ask.
I won't give any information
I'm sentenced for life and
I'm trippin' on my laces again.
I went to her house looking for affection
found her brother and I found a new direction
I don't know what it is that I like I don't know if I
was born this way
I only know I'm different
Maybe my friends will be there for me someday
but for now I just zip it and
I trip on my laces again.
