Good Thing Going

Carolyn Arends

We've got a good thing going
So we've got to protect it
They say people lose it
When they least expect it
Baby, I know it's true
But I don't worry 'bout us

And all the friends we thought
Were gonna make it forever
They all ran into trouble
And now they're not together
Baby, I know it's sad
But I don't worry 'bout us

'Cause how could anybody turn my head
When my heart's forever lost to you
How could I fall into another's arms
When I've fallen so deep into a love so true

We've got a good thing going
So we can't get lazy
Got to keep working at it but then
You know I'm crazy for you
It's not so hard
I don't worry 'bout us

How could anybody turn my head
When my heart's forever lost to you
How could I fall into another's arms
When I've fallen so deep into a love so true

We've got a good thing going
And we've got to protect it
Because there's nothing better
Baby, don't you forget it

I know I never will
I don't worry 'bout us
Oh, no, baby, I never will
I don't worry 'bout us
