

# All You Need To Know

Carolyn Dawn Johnson

I'd like to sleep in on Saturdays  
But I hate to miss the good yard sales  
In my dreams I pay a buck for matching lawn chairs  
I don't like people who are rude to waitresses  
I like to leave a big tip 'cause God knows I've been there

I ain't no angel baby, far from it!  
But I never broke a heart, just for the fun of it  
That's all you need to know  
A little mystery is not so bad  
What you don't know won't hurt you, I can promise that  
That's all you need to know right now

I used to cruise down on main street  
I wished I had my own boyfriend  
I like to watch your hands while you're driving  
I like the way you smile when no one's watching  
I have to catch myself here I go flying

There's so much more... and it's all worth waiting for!
