

Just Because

Carolyn Dawn Johnson

I've seen it too many time before
The minute she leaves you're at my door
You know that I care for you
But this time I ain't gonna be your fool

Just because you're lonely
Doesn't mean that you're in love
Just because you want me now
Baby that ain't good enough
I know what I want
And it's not what you're thinking of
I ain't gonna give my heart away
Just because

I hope that you don't take offense
But I'm looking for more than the present tense
I don't want to hurt your pride
But I think that it's time you realize

Just because you're lonely
Doesn't mean that you're in love
Just because you want me now
Baby that ain't good enough
I know what I want
And it's not what you're thinking of
I ain't gonna give my heart away
Just because

You want validation (just because)
You need a good conversation (just because)
I've done it before
Doesn't mean I'll do it again

Just because you're lonely
Doesn't mean that you're in love
Just because you want me now
Baby that ain't good enough
I know what I want
And it's not what you're thinking of
I ain't gonna give my heart away
No I ain't gonna give my heart away
Just because
