

# My Little Secret

Carolyn Dawn Johnson

I've been told that I'm not a good liar  
And I wear all my thoughts on my face  
When he's near it is like I'm on fire  
Yeah, I'd like to stay, but I'm afraid I might give it away

My little secret, I got it bad, yeah, I'm in deep  
He doesn't know it yet  
My heart is dying, trying to speak  
And it getting so much harder to keep my little secret

Do my best to be brief, keep my distance  
While I wait for the light to turn green  
If he said, "What are you doing later?" For instance  
Then I'd let him see, but till then it's gonna have to be

My little secret, I got it bad, yeah, I'm in deep  
He doesn't know it yet  
My heart is dying, trying to speak  
And it getting so much harder to keep my little secret

Don't tell, don't tell  
You don't know how bad I want this  
Don't tell, don't tell  
If I had enough guts I'd just go for it

Yeah, I'd like to stay, but I'm afraid I might give it away  
My little secret, I got it bad, yeah I'm in deep  
He doesn't know it yet  
My heart is dying, trying to speak

Oh, my little secret, I got it bad, yeah, I'm in deep  
He doesn't know it yet  
My heart is dying, trying to speak  
And it getting so much harder to keep my little secret
