

Squeezin' The Love Outta You

Carolyn Dawn Johnson

I'm not gonna beg you for a little kiss
Love ain't gonna last very long like this
You expect me to make the first move
And even then you never get in the groove
You don't worry about it, but honey I do

You think a little goes a long way
I've had a little more than I can take

Well I'm through, squeezing the love out of you
It's like trying to get water from a desert dune
Baby if this is the best you can do
I'm through, squeezing the love out of you
Ho yeah

You must think that I got all the time in the world
Well I can tell you right now, boy, you've got the wrong girl
I've waited long enough for you to act like you are in love
I think it's finally come down to giving up

I spent too much time holding on tight
With both of my hands and all of my might

Well I'm through, squeezing the love out of you
It's like trying to get water from a desert dune
Baby if this is the best you can do
I'm through, squeezing the love out of you, yeah

Hoo I'm through, squeezing the love out of you
It's like trying to get water from a desert dune
Baby if this is the best you can do
I'm through

It's like tryna get toothpaste out of an empty tube
Trying to find a blizzard down in Baton Rouge
You're love is slower than honey drippin' from a spoon
I'm through, squeezing the love out of you, yeah

I'm through, squeezing the love out of you
I'm so through
