

Chainsaw

Carousel Kings

I've got a chainsaw
You've got a habit
He's got a gun
You better run you silly rabbit
Tricks are for kids
But we're talking politics
They gave you first pick
But we conquered all of it
I don't know why I'm even talking
It's clear that you checked out an hour ago

Sit down, shut up
I'm calling your bluff
You're driving me crazy
News flash for you
Your payment is due
For speeding in the fast lane
This highway was not built for speed
But we can still go the distance
And break through the concrete

Break through the concrete

You'd be dead wrong
Bringing all your baggage
Home to me
Honestly
I'm still trying to figure out
How to get out of this house
I really wanna get this out
I really need you here right now
I'm sick of all your lies
Excuses and disguises

Sit down, shut up
I'm calling your bluff
You're driving me crazy
News flash for you
Your payment is due
For speeding in the fast lane
This highway was not built for speed
But we can still go the distance
And break through the concrete

Who will survive and what will be left of them
Run for your lives before you all end up dead
Who will survive and what will be left of them

We can still go the distance
And break through the concrete

Sit down, shut up
I'm calling your bluff
You're driving me crazy
News flash for you
Your payment is due
For speeding in the fast lane

This highway was not built for speed
But we can still go the distance
And break through the concrete
