

Evil Egocentric Existencialism

Carpathian Forest

I vomit on your compassion
Cause, there is NO salvation
This is MAXIMUM fucking HELL!!!!
..(and) Time has showed NO mercy on me...
Understandable, I feel the cold, I feel the Hatred..
In the vast songs of your meaningless death... (Din Tulling)
(And) time has showed NO mercy on me... (for Faen)
Let us ALL Burn!!

I'm going down...
