

## Evil Egocentric Existencialism

Carpathian Forest

I vomit on your compassion  
Cause, there is NO salvation  
This is MAXIMUM fucking HELL!!!!  
..(and) Time has showed NO mercy on me...  
Understandable, I feel the cold, I feel the Hatred..  
In the vast songs of your meaningless death... (Din Tulling)  
(And) time has showed NO mercy on me... (for Faen)  
Let us ALL Burn!!

I'm going down... . . . .
