

I Am Possessed

Carpathian Forest

Bleed!!

"Ou du guds lam som bar
All verdens synder"

I am possessed!

"Gi kirken tjenere som holder
Fast ved ditt ord bevar oss mot
VRANGLAERE OG D?TRO"

Enough is enough
You're going down
We're destroying all
Holy ground!!

This is hell, this is war
Death, torture, bloodshed
And gore...

Still burns the church
Of faith
And carpet bombed is the
PEARLY GATES!!!

"Ou du guds lam som bar
All verdens synder"

I am possessed!!
The lack of faith is your,
Followers of the parasite god.
Eternal death and suffering
We embrace the knowledge
Of Satan!!!

Defending the throne of evil
The black frame burns
I am the voice of evil
I am possessed
Possessed!!!
