## **Baby It's You**

## Carpenters

It's not the way you smile that touched my heart It's not the way you kiss that tears my apart But how many many many nights go by I sit alone at home and cry over you What can I do Can't help myself Cause baby it's you Baby it's you You should hear what they say about you (cheat, cheat) They say, they say you never never ever been true (cheat, cheat ) Wo ho, it doesn't matter what they say I know I'm gonna love you any old way What can I do, then it's true Don't want nobody, nobody Cause baby it's you Baby it's you Wo ho, it doesn't matter what they say I know I'm gonna love you any old way What can I do, then it's true Don't want nobody, nobody Cause baby it's you Baby it's you Don't leave me all alone
