

# Can't Smile Without You

Carpenters

You know I can't smile without you  
I can't smile without you  
I can't laugh and I can't sleep  
I don't even talk to people I meet

And I feel sad when you're sad  
I feel glad when you're glad  
You must know what I'm going through  
I just can't smile without you

You came along just like a song  
You brightened my day  
Who'd believe you were part of a dream  
That only seemed light-years away

And you know I can't smile without you  
I can't smile without you  
And you must know what I'm going through  
I just can't smile without you

Some people say that happiness wave  
Is something that's hard to find  
Into the new, leaving the old behind me

And I feel sad when you're sad  
I feel glad when you're glad  
And you must know what I'm going through  
I just can't smile without you

Into the new, leaving the old behind me  
And I feel sad when you're sad  
I feel glad when you're glad  
And you must know what I'm going through  
I just can't smile without you
