

From This Moment On

Carpenters

From this moment on you and me dear
Only two for tea dear from this moment on
From this happy day no more blue songs
Only hoopty-do songs from this moment on
For you got the love I need so much
Got the skin I love to touch
Got the arms to hold me tight
You got the sweet lips to kiss me good night
From this moment on, you and I babe
We'll be riding high babe
Every care is gone
From this moment on
