

# I Just Fall in Love Again

Carpenters

Dreaming, I must be dreaming  
Or am I really lying here with you  
Baby, you take me in your arms  
And though I'm wide awake  
I know my dream is coming true

And oh, I just fall in love again  
Just one touch and then it happens every time  
And there I go, I just fall in love again  
And when I do  
Can't help myself, I fall in love with you

Magic, it must be magic  
The way I hold you  
And the night just seems to fly  
Easy for you to take me to a star  
Heaven is that moment when I look into your eyes

And oh, I just fall in love again  
Just one touch and then it happens every time  
And there I go, I just fall in love again  
And when I do  
Can't help myself, I fall in love with you

And oh, I just fall in love again  
Just one touch and then it happens every time  
And there I go, I just fall in love again  
And when I do  
Can't help myself, I fall in love with you  
Can't help myself, I fall in love with you
