

## (I'm Caught Between) Goodbye and I Love You

Carpenters

I have something to tell you  
And I know it won't be easy  
I've been thinking these past few days  
It might be time to leave  
You're like a stranger  
Then you're a lover  
Never the same  
Always hard to believe

I'm caught between goodbye and I love you  
Never knowing quite where I stand  
And I'm caught between goodbye and I love you  
Falling both ways nowhere to land  
So constantly stranded  
I can't understand it  
This double life you've handed me  
Is like the devil and the deep blue sea

If we go on much longer  
If my doubts grow any stronger  
Then I may have to let you go  
If only to survive  
Give me a reason  
Why should I stay here?  
I've tried so hard  
Just to keep love alive

I'm caught between goodbye and I love you  
Never knowing quite where I stand  
And I'm caught between goodbye and I love you  
Falling both ways nowhere to land  
So constantly stranded  
I can't understand it  
This double life you've handed me  
Is like the devil and the deep blue sea
