

(I'm Caught Between) Goodbye and I Love You

Carpenters

I have something to tell you
And I know it won't be easy
I've been thinking these past few days
It might be time to leave
You're like a stranger
Then you're a lover
Never the same
Always hard to believe

I'm caught between goodbye and I love you
Never knowing quite where I stand
And I'm caught between goodbye and I love you
Falling both ways nowhere to land
So constantly stranded
I can't understand it
This double life you've handed me
Is like the devil and the deep blue sea

If we go on much longer
If my doubts grow any stronger
Then I may have to let you go
If only to survive
Give me a reason
Why should I stay here?
I've tried so hard
Just to keep love alive

I'm caught between goodbye and I love you
Never knowing quite where I stand
And I'm caught between goodbye and I love you
Falling both ways nowhere to land
So constantly stranded
I can't understand it
This double life you've handed me
Is like the devil and the deep blue sea
