

## Man Smart, Woman Smarter

Carpenters

Let us put man and woman together  
And see wich one is smarter  
Some say man, but I say no  
The women got the man like a puppet show

It ain't me, it's the people that say  
The men are leadin' the women astray  
But I say, that the women today  
Are smarter than men in every way

Well, that's right, the women are smarter  
That's right, the women are smarter

Little boy sat down and cried  
An old man passin' asked him why, he said  
I can't do what the big boys do  
Old man sat down and he cried too

Ain't me, it's the people that say  
The men are leadin' the women astray  
But I say, that the women today  
Are smarter than men in every way

That's right, the women are smarter  
That's right, the women are smarter

That's right, the women are smarter  
That's right, the women are smarter

Well that's right, the women are smarter  
Smarter than man in every way
