Man Smart, Woman Smarter

Carpenters

Let us put man and woman together And see wich one is smarter Some say man, but I say no The women got the man like a puppet show

It ain't me, it's the people that say The men are leadin' the women astray But I say, that the women today Are smarter than men in every way

Well, that's right, the women are smarter That's right, the women are smarter

Little boy sat down and cried An old man passin' asked him why, he said I can't do what the big boys do Old man sat down and he cried too

Ain't me, it's the people that say The men are leadin' the women astray But I say, that the women today Are smarter than men in every way

That's right, the women are smarter That's right, the women are smarter

That's right, the women are smarter That's right, the women are smarter

Well that's right, the women are smarter Smarter than man in every way
