

# Medley

Carpenters

Sing, sing a song  
Make it simple to last  
Your whole life long  
Don't worry that it's not  
Good enough for anyone  
Else to hear  
Just sing, sing a song.

Go while the going is good  
Knowing when to leave may be  
The smartest thing anyone can learn, go!  
I'm afraid my heart isn't very smart  
Fly while you still have your wings  
Knowing when to leave never let you reach  
The point of no return, fly!

Foolish as it seems  
I still have my dreams  
So I keep hoping, day after day  
As I wait for the man I need  
Night after night as I wish  
For a love that can be  
Though I'm sure that no one can tell where their  
Wishes and hopes will lead, somehow I feel  
There is happiness waiting for me

When someone walks in your life  
You just better be sure it's right  
'Cause if he's wrong, there's are heartaches and tears you must pay  
Keep both of your eyes on the door  
Never let it get out of sight  
Just be prepared when the time has come  
You run away  
Sail when the wind starts to blow  
But like a fool I don't know when to leave

If you really love her  
And there's nothing I can do  
Don't try to spare my feelings  
Just tell me that we're through  
And make it easy on yourself  
Make it easy on yourself  
Cause breaking up is so very hard to do

If the way I hold you  
Can't compare to her caress  
No words of consolation will make me miss you less  
My darling if this is goodbye  
I just know I want to cry  
So run to her before you start crying too  
And make it easy on yourself  
Make it easy on yourself  
Cause breaking up is so very hard to do

Someday, rested from hours of sleeping  
We'll stay safely behind what we're keeping  
You'll seem warmer than I had remembered you

Lying so close I'll be able to feel you breathe  
I could never leave

One day, when I am able to love you  
I'll come back from wherever I've been to  
Please say that you'll be waiting when someday comes  
Promise me this and a kiss, to keep what you are  
Always close to me

Sharing horizons that are new to us,  
Watching the signs along the way,  
Talking it over just the two of us,  
Working together day to day  
Together.

And when the evening comes we smile,  
So much of life ahead  
We'll find a place where there's room to grow,  
And yes, We've just begun.
