

There's a Kind of Hush

Carpenters

There's a kind of hush
All over the world tonight
All over the world
You can hear the sound of lovers in love
You know what I mean

Just the two of us
And nobody else in sight
There's nobody else and I'm feelin good
Just holding you tight

So listen very carefully
Get closer now and you will see what I mean
It isn't a dream
The only sound that you will hear
Is when I whisper in your ear I love you
For ever and ever

There's a kind of hush
All over the world tonight
All over the world
People just like us are fallin' love

So listen very carefully
Get closer now and you will see what I mean
It isn't a dream
The only sound that you will hear
Is when I whisper in your ear I love you
For ever and ever

There's a kind of hush
All over the world tonight
All over the world
You can hear the sound of lovers in love
