

# Ticket to Ride

Carpenters

I think I'm gonna be sad  
I think it's today  
Yeh  
The boy that's driving me mad  
is going away.

He's got a ticket to ride  
He's got a ticket to ride  
He's got a ticket to ride  
and he don't care.

He said that living with me  
was bringing him down  
Yeh  
He would never be free  
when I was around.

He's got a ticket to ride  
He's got a ticket to ride  
He's got a ticket to ride  
and he don't care.

Don't know why he's riding so high  
He oughta do right  
He oughta do right by me  
Before he gets to saying goodbye  
He oughta do right  
He oughta do right by me

I think I'm gonna be sad  
I think it's today  
Yeh  
The boy that's driving me mad  
is going away.

He's got a ticket to ride  
He's got a ticket to ride  
He's got a ticket to ride  
and he don't care  
he don't care.
