

## Where Do I Go from Here?

Carpenters

Autumn days lying on a bed of leaves  
Watching clouds up through the trees  
They said our love was more than time

It's colder now, the trees are bare and nights are long  
I can't get warm since you've been gone  
I can't stop singing sad songs

Where do I go from here  
Tell me, where do I go from here  
You said you'd take me through the years  
So where do I go from here

Lovers plans, like fallen leaves on windy days  
Floated past then they fly away  
I thought I knew you oh so well

And I need you now, I need to feel you in the night  
I need your smile so warm and bright  
I wish my mind could let you go

Where do I go from here  
Tell me, where do I go from here  
You said you'd take me through the years  
So where do I go from here

Where do I go from here  
Tell me, where do I go from here  
You said you'd take me through the years  
So where do I go from here  
You said you'd take me through the years  
So where do I go from here
