

You're Just in Love

Carpenters

I hear singing and there's no one there
I smell blossoms and the trees are bare
All day long I seem to walk on air
I wonder why?
I wonder why?
I keep tossing in my sleep at night
And what's more, I lost my appetite
Stars that used to twinkle in the skies
Are twinkling in my eyes
I wonder why?

You don't need analyzing
It is not so surprising
That you feel very strange, but nice
Your heart goes pitter-patter
I know just what's the matter
'Cause I've been there once or twice
Put your head on my shoulder
You need someone who's older
A rub down with a velvet glove
There is nothing you can take
To relieve that pleasant ache
You're not sick
You're Just In Love

(Stars that used to twinkle in the skies)
(Are twinkling in my eyes)
(I wonder why?)

Stars that used to twinkle in the skies
Are twinkling in my eyes
I wonder why?
