## When One Door Closes (another Door Opens Wide)

## **Carrie Newcomer**

When one door closes another door opens wide It's hard to believe all of the locked doors I've tried And you can't pray for what you want or what you'd have instead You can only offer up your heart and ask that you be led Life's gonna take you, where you never thought you'd go When you finally think you've got it down, It isn't so There are windows and doors, you're not finished with yet It's not always getting what you want, but wanting what you get

It's not gettin' easier, so I'm not going to pretend That I know this story from it's beginning to it's end Oh believe me when I tell you, believe me if you can If I could turn down the noise of my own will and choice I could hear the truth of my life in a clear voice I will bow down my head to the wisdom of my heart Cool my heels and hold on to the best parts
