

# Church Bells

Carrie Underwood

Jenny grew up wild, like a blackfoot daisy  
Out in the shack with a blue tick hound  
Broke as hell, but blessed with beauty  
The kind that a rich man can't turn down  
She caught the eye of an oil man dancing  
One summer night in a dime store dress  
She had the looks, he had the mansion  
And you can figure out the rest

It was all roses, dripping in diamonds  
Sipping on champagne  
She was all uptown, wearing that white gown  
Taking his last name

She could hear those church bells ringing, ringing  
And up in the loft, that whole choir singing, singing  
Fold your hands and close your eyes  
Yeah, it's all gonna be alright  
And just listen to the church bells ringing, ringing  
Yeah, they're ringing

Jenny was hosting Junior League parties  
And having dinner at the country club  
Everyone thought they were Ken and Barbie  
But Ken was always getting way too drunk  
Saturday night, after a few too many  
He came home ready to fight  
And all his money could never save Jenny  
From the devil living in his eyes

It was all bruises, covered in makeup  
Dark sunglasses  
And that next morning, sitting in the back pew  
Praying with the baptist

She could hear those church bells ringing, ringing  
And up in the loft, that whole choir singing, singing  
Fold your hands and close your eyes  
Yeah, it's all gonna be alright  
You just listen to the church bells ringing, ringing  
Yeah, they're ringing

Jenny slipped something in his Tennessee whiskey  
No law man was ever gonna find  
And how he died is still a mystery  
But he hit a woman for the very last time

She could hear those church bells ringing, ringing  
Standing there in a black dress singing, singing  
Fold your hands and close your eyes  
Yeah, it's all gonna be alright  
And just listen to the church bells ringing, ringing  
Yeah, they're ringing
