

# Clock Don't Stop

Carrie Underwood

Red dress, spilled wine  
Caught in a stupid fight  
He's wrong, she's right  
(No kiss goodnight)  
Ring ring, telephone  
Act like I'm not home  
Can't hear the tears cry  
(On the other end of the line)

And the minutes turn to hours  
And they're flying like a jet plane  
And we'll make it right tomorrow  
But tomorrow's not a sure thing

The clock don't sto-o-o-op ticking away  
Yeah, yeah, yeah, yeah, yeah  
The clock don't sto-o-o-op ticking away  
Away  
Always hanging on the wall  
No, it don't care at all  
It won't slow down; it won't wait  
The clock don't sto-o-o-op ticking away  
It's ticking away

Head's scared, heart broke  
Burned from a band of gold  
Rather just be alone  
(Burns, just a bad joke)  
Bang bang on a drum  
You're not a setting sun  
You ain't even close to done  
(Run, baby, run run)

The clock don't sto-o-o-op ticking away  
Yeah, yeah, yeah, yeah, yeah  
The clock don't sto-o-o-op ticking away  
Away  
Always hanging on the wall  
No, it don't care at all  
It won't slow down; it won't wait  
The clock don't sto-o-o-op ticking away  
It's ticking away  
Yeah, yeah, yeah

Red dress, spilled wine  
Caught in a stupid fight  
I'm wrong, you're right  
Kiss me goodnight

The clock don't sto-o-o-op ticking away  
Yeah, yeah, yeah, yeah, yeah  
The clock don't sto-o-o-op ticking away  
Away  
Always hanging on the wall  
No, it don't care at all  
It won't slow down; it won't wait  
The clock don't sto-o-o-op ticking away

It's ticking away  
Yeah, yeah, yeah  
(Red dress, spilled wine  
Caught in a stupid fight  
I'm wrong, you're right)  
Yeah, yeah, yeah  
(Clock don't sto-o-o-op ticking away)

Clock don't sto-o-o-op ticking away
