

# Cowboy Casanova

Carrie Underwood

You better take it from me  
That boy is like a disease  
You run and you try and you're tryin' to hide  
And you're wondering why you can't get free

He's like a curse, he's like a drug  
You'll get addicted to his love  
You wanna get out, but he's holdin' you down  
'Cause you can't live without one more touch

He's a, a good time, cowboy Casanova  
Leaning up against the record machine  
He looks like a cool drink of water  
But he's candy-coated misery

He's the devil in disguise, a snake with blue eyes  
And he only comes out at night  
Gives you feelings that you don't want to fight  
You better run for your life

I see that look on your face  
You ain't hearing what I say  
So I'll say it again, 'cause I been where you been  
And I know how it ends, you can't get away

Don't even look in his eyes  
He'll tell you nothing but lies  
And you wanna believe but you won't be deceived  
If you listen to me and take my advice

He's a, a good time, cowboy Casanova  
Leaning up against the record machine  
He looks like a cool drink of water  
But he's candy-coated misery

He's the devil in disguise, a snake with blue eyes  
And he only comes out at night  
Gives you feelings that you don't want to fight  
You better run for your life

Run run away, don't let him mess with your mind  
He'll tell you anything you wanna hear  
He'll break your heart, it's just a matter of time  
But just remember

He's a, a good time, cowboy Casanova  
Leaning up against the record machine  
He looks like a cool drink of water  
But he's candy-coated misery

He's the devil in disguise, a snake with blue eyes  
And he only comes out at night  
Gives you feelings that you don't want to fight  
You better run for your life

Oh, you better run for your life  
Oh, you better run for your life
