

# Drinking Alone

Carrie Underwood

Let me make one thing clear  
You can buy me a beer  
But you ain't taking me home  
No pick up lines  
I came here tonight  
To shed a few tears on my own  
But sitting there across the room  
I couldn't help but notice you  
Seemed a little down on your love too  
Yeah, my heart might be breaking  
But this seat ain't takin'  
And you've got me thinkin'

We should be drinkin' alone together  
Drownin' the pain is better  
With somebody else who got problems  
We ain't gonna solve 'em  
The misery loves company  
Tonight all I need is a stranger  
Lips with a whiskey chaser  
And a corner booth kiss  
To make me forget that he's gone  
Oh, we should be drinkin' alone  
(Ooh, ooh, ooh, ooh, ooh, ooh)  
We should be drinkin' alone  
(Ooh, ooh, ooh, ooh, ooh, ooh)  
Together

I don't know what she did  
To make you hurt like this  
But I know just what to do  
It starts with a bottle  
Of good [?]  
And ends with a shooter or two  
Tomorrow when the sun comes up  
Tonight's the night that never was  
Baby, just forget my name  
Won't be your one and only  
But just 'cause we're lonely  
Don't mean that we should

We should be drinkin' alone  
'Cause drownin' the pain is better  
With somebody else who got problems  
We ain't gonna solve 'em  
But misery loves company  
Tonight all I need is a stranger  
Lips with a whiskey chaser  
And a corner booth kiss  
To make me forget that he's gone  
Oh, we should be drinkin' alone  
(Drinkin' alone, drinkin' alone)  
Together  
(Baby, we shouldn't be drinkin' alone)  
We should be drinking alone  
(Drinkin' alone, drinkin' alone)  
(Baby, we shouldn't be drinkin' alone)

I'll pretend that I care  
Baby, pull up a chair  
We'll stay here 'til they make us go home

We should be drinkin' alone  
(Ooh, ooh, ooh, ooh, ooh, ooh)  
Oh, we should be drinkin' alone together  
Drownin' the pain is better  
With somebody else who got problems  
We ain't gonna solve 'em  
But misery loves company  
Tonight all I need is a stranger  
Lips with a whiskey chaser  
And a corner booth kiss  
To make me forget that he's gone  
Oh, we should be drinkin' alone  
(Drinkin' alone, drinkin' alone)  
Together  
(Baby, we shouldn't be drinkin' alone)  
We should be drinking alone  
(Drinkin' alone, drinkin' alone)  
(Baby, we shouldn't be drinkin' alone)  
(Ooh, ooh, ooh, ooh, ooh, ooh)  
We should be drinkin' alone  
(Ooh, ooh, ooh, ooh, ooh, ooh)
