

Inside Your Heaven

Carrie Underwood

1. I've been down
Now I'm blessed
I felt a revelation comin' around
I guess it's right
It's so amazing
Everytime I see you, I'm alive
You're all I've got
You lift me up
The sun and the moonlight
All my dreams are in your eyes
- R: I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows you away
I wanna be the one to hold you
Every bit of air you're breathing in
A soothing wind
I wanna be inside your heaven
- *: When minutes turn to days and years
If mountains form I'll still be here
Holding you until the day I die
- R: I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows you away
I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows you away
I wanna be the one to hold you
Every bit of air you're breathing in
A soothing wind
I wanna be inside your heaven
