## **Love Wins**

**Carrie Underwood** 

A stray bullet and a momma cries Her baby won't be coming home tonight Sirens screaming down the avenue Just another story on the evening news, oh, whoa Politics and prejudice How the hell it'd ever come to this? When everybody's gotta pick a side It don't matter if you're wrong or right, no And so it goes, but I hold onto hope and I won't let go 'cause

I, I believe you and me are sisters and brothers And I, I believe we're made to be here for each other And we'll never fall if we walk hand in hand Put a world that seems broken together again Yeah I, I believe in the end love wins

Sometimes it takes a lot of faith To keep believing there will come a day When the tears and the sadness, the pain and the hate The struggle, this madness, will all fade away, yeah

I, I believe you and me are sisters and brothers And I, I believe we're made to be here for each other And we'll never fall if we walk hand in hand Put a world that seems broken together again Yeah I, I believe in the end love wins

Love is power, love is a smile Love reaches out, love is the remedy Love is the answer, love's an open door Love is the only thing worth fighting for, yeah

I, I believe you and me are sisters and brothers And I, I believe we're made to be here for each other And we'll never fall if we walk hand in hand Put a world that seems broken together again Yeah I, I believe in the end love wins Oh, yeah, love wins

Love will, love can, love still, love wins Love will, love can, love still, love wins
