

# So Small

Carrie Underwood

What you got if you ain't got love?  
The kind that you just wanna give away  
It's okay to open up  
Go ahead and let the light shine through

I know it's hard on a rainy day  
You wanna shut the world out  
And just be left alone  
But don't run out on your faith

'Cause sometimes that mountain you've been climbing  
Is just a grain of sand  
And what you've been out there searching for forever  
Is in your hands

And when you figure out  
Love is all that matters after all  
It sure makes everything else  
Seem so small

It's so easy to get lost inside  
A problem that seems so big at the time  
It's like a river that's so wide  
It swallows you whole

While you're sitting around thinking 'bout what you can't change  
And worrying about all the wrong things  
Time's flying by, moving so fast  
You better make it count 'cause you can't get it back

Sometimes that mountain you've been climbing  
Is just a grain of sand  
And what you've been out there searching for forever  
Is in your hands

Oh, and when you figure out  
Love is all that matters after all  
It sure makes everything else  
Seem so small!

Sometimes that mountain you've been climbing  
Is just a grain of sand  
And what you've been out there searching for forever  
Is in your hands

And then you figure out  
Love is all that matters after all  
It sure makes everything else  
Oh, it sure makes everything else  
Seem so small
