

# Twisted

Carrie Underwood

Baby you're a wrecking ball  
Crashing into me  
Nothing I can do but fall  
Piece by piece  
You broke down every part of me  
That ever thought I'd never need you, baby

It's twisted, messed up  
And the more I think about it  
It's crazy, but so what  
I may never understand it  
I'm caught up and I'm hanging on  
I'm gonna love you even if it's wrong

Everybody's telling me  
I'm over my head  
If they don't feel you loving me  
They all say that I've gone crazy  
Maybe, but it's too late now to save me  
I'm too tangled

It's twisted, messed up  
And the more I think about it  
It's crazy, but so what  
I may never understand it  
I'm caught up and I'm hanging on  
I'm gonna love you even if it's wrong  
Even if it's twisted

Maybe it's not right  
But that's all right  
Yeah, it's all right tonight

It's twisted, messed up  
And the more I think about it  
It's crazy, but so what  
I may never understand it  
It's twisted, messed up  
And the more I think about it  
It's crazy, but so what  
I may never understand it  
I'm caught up and I'm hanging on  
I'm gonna love you even if it's wrong  
Even if it's twisted

Even it's just a little bit, just a little bit, just a little bit twisted  
Yeah  
It's twisted  
Yeah
