

# Undo It

Carrie Underwood

I should have known by the way you passed me by  
There was something in your eyes and it wasn't right  
I should have walked, but I never had the chance  
Everything got out of hand and I let it slide

Now I only have myself to blame  
For falling for your stupid games  
I wish my life could be  
The way it was before I saw your face

You stole my happy, you made me cry  
Took the lonely and took me for a ride  
And I wanna uh-uh-uh-uh-uh-undo it  
You had my heart, now I want it back  
I'm starting to see everything you lack  
Boy you blew it, you put me through it  
I wanna uh-uh-uh-uh-uh-undo it

Na, na, na-na, na  
Na, na, na-na, na  
Na, na, na-na, na, na

Now your photos don't have a picture frame  
And I never say your name and I never will  
And all your things, well I threw them in the trash  
And I'm not even sad

Now you only have yourself to blame  
For playing all those stupid games  
You're always gonna be the same  
And, oh no, you'll never change

You stole my happy, you made me cry  
Took the lonely and took me for a ride  
And I wanna uh-uh-uh-uh-uh-undo it  
You had my heart, now I want it back  
I'm starting to see everything you lack  
Boy you blew it, you put me through it  
I wanna uh-uh-uh-uh-uh-undo it

Na, na, na-na, na  
Na, na, na-na, na  
Na, na, na-na, na, na

You want my future, you can't have it  
I'm still trying to erase you from my past  
I need you gone so fast

You stole my happy, you made me cry  
Took the lonely and took me for a ride  
And I wanna uh-uh-uh-uh-uh-undo it  
You had my heart, now I want it back  
I'm starting to see everything you lack  
Boy you blew it, you put me through it  
I wanna uh-uh-uh-uh-uh-undo it

You stole my happy, you made me cry

Took the lonely and took me for a ride  
Boy you blew it, you put me through it  
I wanna uh-uh-uh-uh-uh-undo it
