## **Whenever You Remember**

## **Carrie Underwood**

When you look back on times we had, I hope you smile And know that through the good and through the bad I was on your side when nobody could hold us down We claimed the brightest star And we, we came so far and no they won't forget

Whenever you remember times gone by Remember how we held our heads so high When all this world was there for us And we believe that we could touch the sky Whenever you remember, I'll be there Remember how we reached that dream together Whenever you remember

When you think back on all we've done, I hope you're proud When you look back and see how far we've come It was our time to shine and nobody could hold us down They thought they'd see us fall But we, we stood so tall and no we won't forget

Whenever you remember times gone by Remember how we held our heads so high When all this world was there for us And we believe that we could touch the sky Whenever you remember, I'll be there Remember how we reached that dream together Whenever you remember, yeah ooh

We claimed the brightest star And we, we came so far And know that we showed them all And no they won't forget, yeah

Whenever you remember times gone by Remember how we held our heads so high When all this world was there for us And we believe that we could touch the sky Whenever you remember, I'll be there Remember how we reached that dream together Whenever you remember, whenever you remember Ooh, whenever you remember
