

I'd like to show you what I'm made of
I'd like to show you a thing or two
Cause I got a few friends
I got a good nerve to fight
And we know just what it feels like, yeah
What it feels like to lose

We won't give up, we won't give in
We won't give anything again
We're on our own, gotta finish it
We can't let anything resist
We never wanted it to be like this
Wanted it to be like this
Just keep pushing till the pieces fit
Can we disconnect

They wanna bury you in secrets
They wanna tell you what you should do
And they got a million excuses
But we know what it means to lose

And we won't give up, we won't give in
We won't give anything again
We're on our own, gotta finish it
We can't let anything resist
We never wanted it to be like this
Wanted it to be like this
Just keep pushing till the pieces fit
Can we disconnect

From a wall that would pull us down
As long as we're still standing
We're gonna hold our ground

We won't give up, we won't give in
We won't give anything again
We're on our own, gotta finish it
We can't let anything resist
We never wanted it to be like this
Wanted it to be like this
Just keep pushing till the pieces fit
Can we disconnect

From a wall that would pull us down
Can we disconnect
We're gonna hold our ground
Can we disconnect
