

# Disconnect

Cartel

I'd like to show you what I'm made of  
I'd like to show you a thing or two  
Cause I got a few friends  
I got a good nerve to fight  
And we know just what it feels like, yeah  
What it feels like to lose

We won't give up, we won't give in  
We won't give anything again  
We're on our own, gotta finish it  
We can't let anything resist  
We never wanted it to be like this  
Wanted it to be like this  
Just keep pushing till the pieces fit  
Can we disconnect

They wanna bury you in secrets  
They wanna tell you what you should do  
And they got a million excuses  
But we know what it means to lose

And we won't give up, we won't give in  
We won't give anything again  
We're on our own, gotta finish it  
We can't let anything resist  
We never wanted it to be like this  
Wanted it to be like this  
Just keep pushing till the pieces fit  
Can we disconnect

From a wall that would pull us down  
As long as we're still standing  
We're gonna hold our ground

We won't give up, we won't give in  
We won't give anything again  
We're on our own, gotta finish it  
We can't let anything resist  
We never wanted it to be like this  
Wanted it to be like this  
Just keep pushing till the pieces fit  
Can we disconnect

From a wall that would pull us down  
Can we disconnect  
We're gonna hold our ground  
Can we disconnect
