

# This Is Who We Are

Cartel

Patience, child it will find you  
Your deepest dreams will guide you  
the moment that you're born  
all night my fear inside will come through  
haunting right behind you  
don't let it get that far

Somehow  
breathe a little deeper now  
cause this is who we are  
when we look into their eyes  
don't fly so high  
so high little bird  
you'll get your wings clipped  
we'll pick it up, pick it up  
now you've learned

Searching  
for moment that defines you  
your deepest dreams remind you  
get out before you're gone  
Now that all you hear is what surrounds you  
push it out, give it out  
from around you  
never stop and you will find it all

Somehow  
breathe a little deeper now  
cause this is who we are  
when we look into their eyes  
don't fly so high  
so high little bird  
you'll get your wings clipped  
we'll pick it up, pick it up  
now you've learned

So we decide...  
We decided  
We decide this now  
So find out how we can survive  
How we can survive  
If we learn how to live our lives  
If we learn how to live...

Somehow  
breathe a little deeper now  
cause this is who we are  
when we look into their eyes  
don't fly so high  
so high little bird  
you'll get your wings clipped  
pick it up, pick it up  
now you've learned
