Cartel

It's 2:45, the baby takes his first breath  
The mother never knew he only had a few left and  
The father gets a call in the middle of the night  
His breath gets short and his chest gets tight

But he's 16, and he's driving too fast  
Takes a turn to the left, it would be his last  
Nobody knows what happens if he turns to the right  
Nobody in the car would've died that night

But he's 32 and invincible.  
The cancer he had it was visceral  
He never saw it coming...thought he had his whole life  
Sick in the morning and he died in the night.

We're all so...  
We're on the run.  
We're all, we're all  
We're wasted, no no no  
We're all wasted  
We're wasted, no no  
We're all wasted

7 years old, got his bat in his hand  
He's looking for his father and he doesn't understand  
'Cause dad's too busy, got some deals on the way  
His son sits alone as the children play

And he's 18 he couldn't wait to move out  
His parents wonder what all the rush is about  
They never bothered with his dreams  
Only thinking of theirs.  
Wonders why he doesn't call and why he doesn't care

But he's 32 and invincible  
With everything he is based on principle  
He never had a truly happy moment in his life  
He didn't want the kids and he didn't want his wife.

We're wasted, no no no  
We're all wasted  
We're wasted, no no  
We're all wasted  
We're wasted  
We're all wasted  
We're all wasted, no no  
We're all wasted

23 now got his life in his hands  
He's looking all around and he doesn't understand  
'Cause life's too busy, things get in the way  
We all feel alone every single day

And I'm 18 couldn't wait to move out  
It's been 5 years and now I'm starting to doubt...  
Whether all my dreams are just aimless stares  
Looking off to someplace that isn't there

When I'm 32 will I be miserable?  
With everything around based on principle  
Will I have a clue, oh wouldn't it be nice  
to never be alone in this wasted life.

We're wasted, no no no  
We're all wasted  
We're wasted, no no  
We're all wasted  
We're wasted  
We're all wasted  
We're all wasted, no no  
We're all wasted.
