

Well she's my hot potato
She's my home dictator
Got her own sweet flavour
When I go down low

She's my girly Bono
She's my Yoko Ono
She goes oh no no no
But I love her so

You and me
Trying hard to build a family
You and me
Life is kind of phony
Holy matrimony
Don't you see
You and I were always meant to be
I won't flee
All I wanna to do is get down on my knees

Well she's my hot potato
She's my home dictator
Got her own sweet flavour
When I go down low

She's my girly Bono
She's my Yoko Ono
She goes oh no no no
But I love her so

Don't you see
You and I were always meant to be
I won't flee
All I wanna do is get down on my knees

Well she's my hot potato
She's my home dictator
Got her own sweet flavour
When I go down low

She's my girly Bono
She's my Yoko Ono
She goes oh no no no
But I love her so

I saw her dance
I saw her smile
She crossed the floor
I reached for the door
She caught my eye
She made me cry
She tamed the sky
And made me fly

Well she's my hot potato
She's my home dictator
Got her own sweet flavour

When I go down low

She's my girly Bono
She's my Yoko Ono
She goes oh no no no
But I love her so

She's my hot potato
She's my home dictator
Got her own sweet flavour

She's my girly Bono
She's my Yoko Ono
She goes oh no no no
