A Neverending Dream

Cascada

I'm waiting for the night drifting away on the waves of my dreams to another day I'm standing on a hill and beyond the clouds the wind's blowing still and catching my doubts

I'm hunting on the night the slave to my dream an illustrated scene decends in the sleep We're playing for the fights emotional games I'm turning off my eyes and hiding my shame

A never ending dream a dream of you I believe I recieved a sign of you Tonight I want to hide my feelings too as you do and I want to be with you

I'm waiting for the night drifting away
on the waves of my dreams to another day
I'm standing on a hill and beyond the clouds the wind's blowing
 still and catching my doubts

I'm watching all the flowers dying away inheated breath of life at the dawning day I'm waking up in spring and kissing your face the sweet moving thing I feel your embrace

A never ending dream

A never ending dream a dream of you I believe I recieved a sign of you tonight I want to hide my feelings too as you do and I want to be with you

A never ending dream a dream of you I believe I recieved a sign of you tonight I want to hide my feelings too as you do and I want to be with you

A never ending dream a dream of you I believe I recieved a sign of you tonight I want to hide my feelings too as you do and I want to be with you
