

What Hurts the Most

Cascada

I can take the rain
on the roof of this empty house
That don't bother me
I can take a few tears
now and then and just let them out

I'm not afraid to cry
Every once in a while
Even though going on with you gone still upsets me
There are days
Every now and again
I pretend I'm ok but that's not what gets me

What hurts the most
Was being so close
And having so much to say
And watching you walk away
And never knowing
What could have been
And not seeing that loving you
Is what I was trying to do

It's hard to deal
with the pain of losing you everywhere I go
But I'm doing it
It's hard to force that smile
when I see our old friends and I'm alone

Still harder
Getting up, getting dressed
Dealing with this regret
But I know if I could do it over
I would trade
Give away
All the words that I say
In my heart that I left unspoken

What hurts the most
Was being so close
And having so much to say
And watching you walk away
And never knowing
What could have been
And not seeing that loving you
Is what I was trying to do

Oh, oh, oh o-oh

I'm not afraid to cry
Every once in a while
Even though going on with you gone still
Upsets me
There are days
Every now and again
I pretend, i'm OK but that's not what gets me

What hurts the most

Was being so close
And having so much to say
And watching you walk away
And never knowing
What could have been
And not seeing that loving you
Is what I was trying to do

What hurts the most
Was being so close
And having so much to say
And watching you walk away
And never knowing
What could have been
And not seeing that loving you
Is what I was trying to do
