

A Song For Skye

Case

You know a man could never truly understand
The beauty of a woman
Until he takes part in making one
I love you Skye
(My sunshine, you're my life, you're my life, you are)

- You are my reason
Girl I sing this song to you
I love everything about you
You are my reason
Girl I sing this song to you
I love every little thing about you

Sitting here thinking 'bout you girl
And what you mean to me
And how long it took me to believe
How much you really change my life, oh yeah
In your eyes I can see the sunshine
Girl I'm so happy you're all mine

- You are the reason my sun shines
Why everything seems just fine
Your daddy's so proud of you
And all the little things you do
Sometimes I ask my God why
He blessed me with you Skye
Just know that you were made from love
Give thanks above

I was walking around lost for oh so long
Till little lady came my way
And it made me say
That I love you unconditional babe
Cause now I'm whole, you're in my soul
All I do is think about you baby

You're in my prayers every night
Asking God to keep you, yeah
Safe in His arms (oh yeah) it's alright (oh yeah)
Pretty little mama
