

## A Song For Skye

Case

You know a man could never truly understand  
The beauty of a woman  
Until he takes part in making one  
I love you Skye  
(My sunshine, you're my life, you're my life, you are)

- You are my reason  
Girl I sing this song to you  
I love everything about you  
You are my reason  
Girl I sing this song to you  
I love every little thing about you

Sitting here thinking 'bout you girl  
And what you mean to me  
And how long it took me to believe  
How much you really change my life, oh yeah  
In your eyes I can see the sunshine  
Girl I'm so happy you're all mine

- You are the reason my sun shines  
Why everything seems just fine  
Your daddy's so proud of you  
And all the little things you do  
Sometimes I ask my God why  
He blessed me with you Skye  
Just know that you were made from love  
Give thanks above

I was walking around lost for oh so long  
Till little lady came my way  
And it made me say  
That I love you unconditional babe  
Cause now I'm whole, you're in my soul  
All I do is think about you baby

You're in my prayers every night  
Asking God to keep you, yeah  
Safe in His arms (oh yeah) it's alright (oh yeah)  
Pretty little mama
