

## Not Your Friend

Case

Your girlfriend wants to get with me  
I can tell how she looks at me  
And how she licks her tongue at me  
Then ask for a ride home with me  
She likes what i do to you  
Tell you all the things that you never knew  
Like the sky her Ferrari's blue  
Spending time in Honolulu

I told you once before about that girl  
She's so mysterious  
So watch that girl  
And keep that girl away from me  
Cause she's jocking me  
You're girl  
Wanting me  
I see her  
Watching me  
She's licking  
Her lips at me  
She's not your friend the girl  
So shady  
I see her  
Watching me  
She's licking  
Her lips at me  
She's not your friend your girl

Your friend wants to get wit me  
She's hawking me down like you  
wouldn't believe  
Leaving her panties at  
my doorstep too  
Writing me letters dissin you  
She's a freak like I told you so  
Said she wanna go toe to toe  
With me and your other girl Coko  
Just sit back baby watch her go
