

Personal Conversation (Interlude)

Case

Oooh
Yeaaaah
I just want to get personal with you, babe
Yeah, yeah, yeah
Heeyyyyyyyyyyeaaaahhh
Are you lonely, pretty baby?
All you gotta do is tell me
Are you lonely?
Shoot, late at night, I get to thinking about you
Make a tear fall down my face
I only wish that you, wish that you could be here
Ooohhh!
