

A Boy Can Dream

Casey Abrams

I met her on the day of New Years
I was shopping for a wedding gift on Buena Vista street
I swear I saw the fire in her eyes
The kind of girl you hear about, you never see in real life

Chorus:

Everyone needs something, everyone wants love
She's lying in my bed in just her under-wears
She's laughing at the words I say
Yeah, we're kissing and we're touching
Underneath the covers listening to my...
I do whispering I love you
Right before I fall asleep
A boy can dream, dream, dream, dream
A boy can dream, dream, dream, dream

Now I woke up on Sunday afternoon
I had to drive back, I was hoping I would see her soon
Is something about the way she looked at me
She keeps playing in my head like a broken record on repeat

Chorus:

Everyone needs something, everyone wants love
She's lying in my bed in just her under-wears
She's laughing at the words I say
Yeah, we're kissing and we're touching
Underneath the covers listening to my...
I do whispering I love you
Right before I fall asleep
A boy can dream, dream, dream, dream
A boy can dream, dream, dream, dream

If only I had a number I know later on tonight
She'd be lying in my bed in just her under-wears
She's laughing at the words I say
Yeah, we're kissing and we're touching
Underneath the covers listening to my...
I do whispering I love you
Right before I fall asleep
A boy can dream, dream, dream, dream
A boy can dream, dream, dream, dream

I met her on the day of New Years Eve!
